From

The Medical Officer (Incharge)
Koodankulam Govt Hospital,
Tirunelveli – Dist

To

The Chief Medical Officer,
CMCHIS,
Chennai.

Respected sir / Madam,

Sub : Approval denied for 34 CT – Cases taken at koodankulam GH Nov – 2019 to Jan 2020 – reg..

This is to bring your the kind notice that the following 34 patients who had undergone CT scan in our hospital under CMCHIS during the period November – 2019 to January – 2020 have been denied their claims under scheme. We had no radiologist available for reporting in our hospital. During that period and hence the films had to be transported to tenkasi GH (around 150kms) for reporting by radiologist . For emergency purposes oral reports were obtained from the radiologist at tenkasi GH by the treating physicians and surgeons and appropriate treatment was instituted to the patients . Treatment was not delayed at any cause but printed reports reach us in a later date. The transit time to obtain the printed reports was taken as delay with the approval being denied for those cases.

I request you to kindly consider this issue and do the needful in this regard for the approval of those cases sir.

Thanking you.

Koodankulam

Yours faithfully,

30/09/2020.
